# Busting Myths: Misconceptions About Investing

Understanding common misconceptions to improve investment participation

**Investing is only for the wealthy**  
Many believe only affluent individuals can invest.

**Investing is too complex**  
While it requires knowledge, it can be simplified.

**Education can empower investors**  
Learning can build confidence in investing.

**Quick profits are guaranteed**

This leads to unrealistic expectations and risk-taking.

**Misconceptions hinder participation**

Misunderstandings deter individuals from investing.
